

20/11/2018

Asha deep's work has been valued and respected by various stakeholders at the block & GP level. There is appreciation from all quarters. If you strengthen your skills/build capacity to use strategies for better governance that will take you level to next level.

Thank you again for the great opportunity to meet you and learn from you. You are doing a great job for your community. I felt welcomed with open arms. I hope I'll be able to come visit you all again.

All the best for you and your community.

Best wishes,

Felipe,  
Sera, Memise
